Subject: Truck Restrictions on the State Highway System

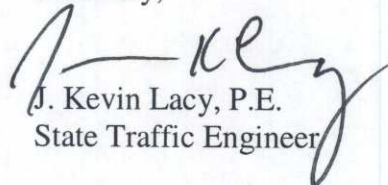

Dear Gentlemen:

This is to notify you of truck restrictions being placed on the State highway system in accordance with general statute §20-151.1(b). The following routes are being restricted due to an insufficient capacity to safely accommodate certain vehicle combinations:

- Parts of SR 1001, SR 1900, SR 1927, SR 1929, and SR 2383 in Johnston County (in and near Selma)
- All of SR 1928 and SR 2332 in Johnston County (in and near Selma)
- Part of NC 28 in Swain County (through the Lake Cheoah and Fontana Dam areas)

These restrictions are for through trucks only and will not prevent local deliveries. A copy of the ordinance package is attached for your reference. Please contact me at 919-773-2800 if you have any questions or need additional information.

Sincerely,

J. Kevin Lacy, P.E.
